Lacey and I are Best Friends

We've been best friends for a long time and probably will be forever. Ever since she was a toddler and I was her baby sitter. Now we're both adults and my twelve years older doesn't seem like that big a difference. We were never lovers until a few years ago. We grew up and stayed in the same town. Even dated some of the same boys, but as we matured, we found our interests progressively converging.

We liked to take long walks. We often did this together and one day we started talking about what it would be like to sleep with a woman. At first it was just a philosophical discussion about softness, body hair, dating habits, etc. Then it started getting personal as we asked each other if they had ever slept with a girl. We both confessed that we had not but often thought about it. Since we felt our relationship was as strong as they come we agreed to. I told her I thought it'd be fun to play with her boobs and lick her pussy. She confessed she kept it shaved because she liked the way it looked. I told her mine was not, but she could shave it for me. We both laughed and said she'd get her chance.

One rainy afternoon we were planning my niece's 20th birthday. She was a lipstick lesbian and our conversation turned to girl-sex. I reminded her that she promised to shave my pussy and headed off to my bedroom. I took a quick shower, careful to clean myself thoroughly and lotioned on a nice lavender scent. In the meantime, Lacey had stripped down to her bra and panty and got some shaving cream and a razor from the medicine cabinet. She laid out a large towel on the bed and had a bowl of rinse water nearby. I came out of the bathroom and she commented on how nice I smelled. I smiled meekly.

We had never been this naked in front of each other. I walked over to the bed and she grabbed my towel and threw it on the floor. Lacey was staring at my breasts. "I've never seen your boobs before. They're gorgeous, lady. Nice and full. I can't wait to bury my face in them." she says. I'm a bit shy, but manage to say, that I can't wait to see hers, too.

Her hands reach out and cup the underside of my left breast. She raises and lowers it as if trying to guess its weight. Her other hand reaches up

to the other breast and now she's got both of them. Her fingers find my nipples and she rolls each one in her fingertips. They instantly get hard and I love the feeling. I close my eyes to savor the moment. Her hands now cup each breast as she moves closer. "What are you? A 36D?" she asks. "34DD." I answer. "Nice," she replies. "I always knew you would have nice breasts," Lacey says as she moves in to kiss me. I feel her smooth lips on mine and we press our bodies and our mouths together. Tongues meet inside my mouth and her hand reaches down and playfully tugs at my pussy hair. "Okay, let's get on with it," she commands.

I sat on the bed and she opened my legs to get at the object of her attention. She took the scissors and gently pulled the longer hair up and cut it off. The first few snips made me nervous but she quickly finished trimming the long hairs. She put down the scissors and then rubbed the fluffy white shaving cream on me.

Her touch was gentle as she swirled it around the outer lips and down into the V between my legs. Then the razor came out. She started at the top

and the sensation was very strange. She shaved down to the opening fold and around the sides. I opened my legs further so she could get into the cracks and folds a little better. She pulled my labia lips to the side and shaved right down to the pink. And then the other side. And finally to that soft and sensitive space between my vagina and asshole.

She did a great job; not one nick. She took a damp towelette and wiped off the remaining cream. She grabbed some soothing lotion and massaged it into the newly shaven area. That felt really good. It seemed as if my senses there had been amped up. She then brushed her hand deftly over my cleanly shaved area to feel for any stubble. "Perfect." she said.

So after she shaved me, she went down on me softly. I never felt such a feeling of warmth and passion as I did in her touch. As it turned out Lacey could really eat pussy. I reciprocated the action. We loved the sixty-nine. We lay in each other's arms in that position for hours. Each one of us cumming several times throughout the night. We started on our sides, just licking

and nipping at each other's pussy lips. Then I turned her so she's on her back and I'm on top. That made it easier to rub my pussy hard into her face. I came, but she wouldn't let me rest. She flipped us over so she's on top and do the same to me. I ate her sweet pussy as her juices flowed all over my face. I do not get as wet as she does but she says my juices taste great, too.

When she's on top, Lacey loves for me to eat out her little brown star. She turned her hips in so I can reach it better. I love how it puckers and pulses with each of my tongue thrusts. But that's not enough for her, she whispers for me to use my fingers in there. I oblige by wetting them in her wet pussy and then slowly work one into her butt. At first I feel some resistance, but she relaxes her sphincter and I wriggle it in even further. She moans loudly but her moan is muffled because her face is still buried deep into my pussy. I shove my finger in and out adding my tongue around the outside and lubing it up some more.

I introduce a second finger and she spasms with the pleasure/pain that

it induces. In the meantime she is fingering and licking my pussy with a fervor that real love brings. I cum again just as she begins to buckle in her anal orgasm. We fall over to the side – still entwined in sixty-nine and pull each other closer as the wave of après-cum relaxation envelopes us. As we bask in the warm glow of our lovemaking, Lacey gets up and goes over to my dresser. Somehow she knows that there's a vibrator in the bottom drawer.

She pulls it out and comes back to the bed waving it at me. I giggle as she pushed me onto my tummy and pulls my hips up. I'm on my knees waiting for her to put it in me. She lubes it up with her mouth and spreads my pussy lips for easier entry. She turns it on and inserts it into my still-wet pussy and starts to twist it. The sensation overtakes me and my hips rise to meet her thrusts and twists.

She takes her finger and pokes around my puckered asshole. By now I've surrendered to her as she fucks my pussy with the vibe and alternately fucks my asshole with her finger. I cum again, hips shuddering, and

muffling my ecstasy in the pillows. I roll over exhausted. She says it's her turn and I muster the energy to use the vibe on her.

She lays down and I get to work. Lacey spreads her pussy lips and helps me in with it. I bend low to lick her at the same time. I feel the vibrations on my tongue and chin and I bury my chin in her clit so the vibrations are amplified. I push the vibe in and out and feel her cumming for the fourth time. She collapses in passion and falls to rest with me on top of her. Yes, we'll be best friends – forever!

– *Tanya, Boston*

A KEPT WOMAN

Back in Queens, in the house I grew up in, when you were old enough to get a job, you went to work and helped pay the bills. As it turned out, my very first job would be my last for a long time.

It's back in the Nineties when I had to first do this. I got a job where I would do office chores and clean the studios at a dance school. It didn't pay much

but it was fun to see all the mom's bring in their kids for lessons, and all the teenagers that danced there, too. Ivan ran the place like playing a violin. He was the master of money and left the dance instruction to his wife, a former prima ballerina, and a capable staff. They worked hard and danced hard.

Ivan hung out in the office most of the time. There were dance posters and Broadway Musical posters all over the walls. He would tell stories of who and how many managed their way to the Broadway stages. He said many got the roles not because they could dance, but because they would fuck the producers. Well, to me that was something I had never heard of before, but would soon find it a way to success, myself. Ivan always paid me on time which is all I cared about, but truth be told I would have rather gone to bed with him than any of the drooling boys lingering around the studios.

I was helping out at the front desk when 'he' walked in with his adorable six year old daughter. I asked if I could help and he said he wanted to

register her for classes in jazz dance. I said 'sure' and took his information. He wanted her to take lessons on Friday and Saturday because that's when he had her from his divorce. I said we did not have Jazz classes on Saturday, but there were tap classes. He agreed and we set up her schedule and he paid for the first month.

The first Friday rolls around and 'James' brings her in fifteen minutes early. I'm cleaning the waiting area and he comes to sit. I'm a little embarrassed to be seen in a tank top, jeans and a broom, but he smiled and said "Hello Amber" to me. I said hello and said how sweet that he remembered my name. He said how nice I was in helping him register his daughter. I politely smiled and kept working. Ten minutes later he stepped outside to have a smoke and saw me emptying the trash containers around the entrance.

Leaning back on the wall, he tells me that he likes a hard working woman, but if he had one like me, he wouldn't have her working at all. I didn't know what to say and just kept at it. He made some other small talk and I'd

stop briefly to listen or answer. Eight o'clock comes around and he's escorting his daughter to the car. As he passed me he says, "See you tomorrow." and I blurt out I don't work on Saturdays. "Well then, next Friday." he says. I mumble okay.

Next Friday comes and then the month is up. James registers for another two months and we've become kinda friends. Easy talking and easy listening. One Friday night he asks me if I'd have lunch with him on Monday. I hesitated, but agreed since it was only lunch. I had never been out with a man in his forties before, but he seemed cool and I didn't feel like the nineteen-year-old that I was at the time.

Well, as you can assume, just because I'm writing a letter to this magazine, that things got progressively hotter. Three months after meeting we were fucking, but not just fucking, he was wining and dining me. I was late for work a few times and Ivan asked me what was going on. I said nothing, but two days later I came into the dance school and quit.

"Why?" asked Ivan. I told I met someone and was moving out of town. Truth was, I was moving to Manhattan in a penthouse paid for by James. The next two months were a blur for me, we traveled and dined in exclusive restaurants. I was a princess and he was my prince in a love story that felt like it should have lasted life a lifetime. Of course there was the time I came back to the penthouse and caught him fucking another female.

I told him I'd tell the courts what he was up to and that set him off. After settling down and some wild make-up sex, came the glorious offer to retire to the penthouse suite for as long as I liked. I would get a pay raise every six months, just like his other employees if I performed my duties well. If I was there alone when he needed me to be, kept myself clean and available, he'd keep me and pay for it all.

I thought quickly, it was this or back to Queens. At least if I stayed here I could make contacts, try to get some real education and delve into some serious fashion on the allowance I have. I could do this as long

as he paid for the penthouse and kept himself clean of STDs until I figured something else out.

Six months later I have a waitressing job in Midtown, with not much better pay, but the tips do add up. I go to night school and spend most of my cash at the trendy boutiques I got so used to frequenting. Even in this big city I would see him once in a while, especially if I make an effort to do so. I hold no grudges, he used me and I used him.

Twenty-some years later, I still think about those eight or nine months, James, the penthouse, the sex, the stuff that has made me realize how important the right people are in your life. I've been married twice and now I'm as happy as I've ever been.

Well, I know this wasn't a very sexy letter, but it does tell you that there are young impressionable young ladies out there ready to be duped by an older man into sex and money. If you got it, then go for it. I did.

I have to admit that I'm a bit of a homebody. When Ryan booty-called me in the afternoon, I said 'cum on over.' So I washed the dishes, vacuumed the floors, made the bed, and spruced myself up in my very best lacy lingerie. Throughout the day, I imagined it to be a pretty intense session in a long hot afternoon.

LENA PAUL

I don't mind telling people that I'm in the adult industry. When I'm asked why I do adult photos and videos, I tell them because I can. I just so happen to love sex. After I did a shoot or two, I got comfortable with a camera. All the guys early on in my career were very patient, so it was easy to relax and fuck them.

We talked about the football team, other faculty, and believe it or not, sex.

Students of the Month

I'm writing to you because there aren't too many outlets for us men to tell about our adventures. Well, our sexual adventures anyway. And I think I have a good one. My story is about something that happened last weekend. Before I get into it, I'm an adjunct professor at a northwestern university. My main responsibility is to lecture students rather than be more interactive in their studies. I speak in a rather large auditorium to a bunch of faceless, bored twenty year olds. However, every once-in-a-while a few students actually show an interest in the material and that's reinvigorating.

Two such students are Gina and Serena. They would always come into the hall together, sit together and took profuse notes. I could tell they had a real interest in what I was saying. They even stayed after class several times to discuss that day's topic in further depth. Serena was the more flirty one and she was always smiling. Gina was more studious and asked most of the questions. I don't know if they were roommates, best friends or even lovers. And it didn't matter to me.

Three pm Friday is the last lecture of the week and these two come down to my podium and invite me for a drink. I blushed, and hesitantly agreed. We went to a sports bar off campus and ordered drinks and wings. I found the two girls to be fun and quite aware. We talked about the football team, other faculty, and believe it or not, sex. They were very inquisitive, asking me about my past relationships (I'm not married any-

more) and when was the last time I had sex. The booze made it a little easier to answer and I told them it had been almost a year. They asked if I masturbated and I told them I did. I asked if they were taking this information for a school project and they looked at each other and giggled. Simultaneously, they said "No."

We were starting to get a little sloppy drunk when Serena said that I lived too far away to drive and we could walk over to her apartment. I don't remember the walk over to her place, but we got there okay and within a half hour we all were squeezing into Serena's small bathroom for a hot shower. Gina and I had to lead Serena by the hand since she was still woozy.

The hot shower was wonderful with the three of us taking turns cleaning one another with sponges and our tongues. Both girls were really enjoying the hot water as it washed away make-up and the day's grime. I watched their wet, sexy bodies in complete awe. I couldn't resist pulling them in for some deep kissing. This led to all of us caressing, kissing and licking one another in a flurry of steamy, passionate cleansing sex.

The girls were quite anxious to see if they could get my 48-year-old cock hard, so they told me to just watch as they started with by kissing each other under the shower. Then they began to press their wet, hot bodies together. Their breasts were soapy as they squished and slid together with more passionate kissing with wet tongues pressing erotically

Using her tongue, she swirled it around the tight opening and then slid it over Serena's shiny pussy

together as the water ran over them. I watched as Serena reached down and grabbed Gina's ass and pulled her hips against her own. They both moaned as their wet pussies collided and steam billowed around them.

Gina wrapped one of her legs around Serena's waist as she pulled her closer into her while they french kissed and ground their pussies together. Through their steamy lust, Gina and Serena noticed that I wasn't hard. Gina whispered something in Serena's ear and then they both dropped down to their knees in the cramped shower. These two were so determined to get me stiff so they started washing me below the waist with their excited hands.

At one point, Serena was bobbing her head on my soft penis while Gina was full-on licking my asshole. It felt unbelievably awesome and delightfully dirty but my cock wasn't getting up again in any hurry. We spent a good half hour more in the shower, but eventually, the water began to grow cold, and we were forced to retreat back to Serena's bed where we resumed our playing. After a few minutes my cock was rock hard but I was so exhausted by then that I just lay back on the bed and let them take turns sucking me off. I knew it would be a very long time before I would cum so I closed my eyes and enjoyed the hot mouths.

Then I heard a soft whisper in my ear, "I want your cock inside me." I opened my eyes and Serena's face was next to mine with her big eyes

waiting for my response. I looked down at my cock and Gina was looking up at me with it in her mouth keeping it hard for her girlfriend. My cock throbbed and grew almost another inch in her mouth in anticipation. She gave the tip a big kiss and sat up. Gina was watching intently waiting to see what I was going to do, so I grabbed Serena by her hips and pulled her to the edge of the bed. I grabbed hold of my pulsing rod and used the tip to tease her pussy, rubbing it along her glistening, dripping outer lips.

Gina scooted down to get a closer look at the action and put her face closer to Serena's sweet slit. Using her tongue, she swirled it around the tight opening and then slid it over Serena's shiny pussy and started flicking her tongue it. Both girls seemed to be enjoying themselves as they both panted hard with extreme arousal. My tip made contact with Serena's opening and slowly pressed my massive, throbbing cock against her incredibly tight opening. I felt her tight inner-vaginal lips part and fold around my raging member.

She rode me like an out of control cowgirl and had to grab hold of Gina to balance herself. I pull Serena's body down on top of mine and Gina gets behind us. I feel her hand playing with my balls and grabbing hold of my cock and tightening her fist around it. Serena climbs off me and lays back. Gina immediately attacks her pussy licking my cum as it oozes out of Serena. Then we hit the shower again.

CADENCE LUX

It happened, one weekend at a sorority party when a bunch of frat guys came over.

We were all just sitting around playing video games. I noticed someone had put on a porn video in a back room. That got me pretty excited. I decided to take this one cute guy upstairs. There was a huge king size bed nicely dressed in silky white sheets. I told him that we really needed to mess up these sheets, and did we ever!
